MEMORANDUM FOR: Chief, Administrative Staff, Ck

SUBJECT: Re-employment of [REDACTED]

25X1A

It is the opinion of this division that the return of [REDACTED] to a position similar to that which she held previously would be inadvisable. [REDACTED] record properly reflects that she was a competent employee. However, she served as next in charge (in the absence of her immediate supervisor) of the unit to which she was assigned. This position (GS-5) is now filled, and we could only assign her to a similar GS-4 position. It is believed that because of her forceful personality and her past experience [REDACTED] would not long remain happy in such a position. In this regard she was unhappy in her position as [REDACTED] immediately prior to her resignation.
